Manually Uploading Conditions

If you have conditions you wish to manually upload without document separation complete the flowing steps:

1. Locate and click [Conditions] in the side navigation bar
2. Inside the conditions page locate the Link Document to Condition dropdown and select the condition corresponding to the document to be uploaded
3. After 3-4 seconds the Drag & Drop or Browse for Files functionality will appear where you can attach your condition
4. Click the Read for Review Button
